

Power and connectivity solutions for healthcare

Patient care and telehealth

Eaton offers a full line of products for every healthcare environment. See how Eaton solutions fit into patient care and telehealth areas.

Power

Portable power bank

Power banks have lithium-ion batteries to power mobile devices without a wall outlet.

Mobile power retrofit kit

Support UL 60601-1 compliance for connected mobile equipment in healthcare facilities, both inside and outside patient-care areas.

Protect

Hospital-grade surge protector*

Protect equipment against damaging spikes and surges. Models are available for patient-care vicinities.

Medical-grade UPS system

Provide a continuous flow of power to critical systems. A built-in isolation transformer offers full isolation for patient safety.

Connect

Laptop docking station*

Add a variety of ports, including video, USB and Ethernet ports, to laptops using a single USB-C or USB-A connection.

Power cords/Safe-IT cables*

Power cords with hospital-grade plugs are available. Safe-IT Ethernet, USB, video and power cables have antibacterial properties to promote a healthier environment for patients and staff.

Charge

Wireless charger

Charge compatible mobile devices wirelessly, eliminating the need for a charging cable.

*To promote a healthier environment for patients and staff, Safe-IT™ antimicrobial and antibacterial options are available for select models.

Mount

Monitor wall mount

Securely mount flat-panel television screens or monitors on a wall. Swivel and tilt features optimize viewing angles.

Desktop monitor mount

Elevate monitors to save space and optimize viewing angles to improve ergonomics and ease eye fatigue. Freestanding, desk-clamp and grommet mounts are available.

Mobile workstation

Roll printers, laptops, UPS systems and other workstation essentials from one room to another.

House

Wireless access point enclosure

Protect an indoor router/modem or Wi-Fi access point by installing it inside an enclosure made of impact-resistant UL 94 V-0 Classified ABS plastic.
