

Fast Track PROGRAM

With the continuing success of the *Fast Track* program, Vishay Dale is extending this service to additional resistor families. The latest addition introduces the military grade MIL-PRF-55342 thick film chip resistor to the *Fast Track* program.

For quick delivery, *Fast Track* offers our customers the opportunity to purchase a limited volume of products with lead times of 5 or 10 days for non-military components, and 10 or 15 days for Military MIL-PRF-55342.

The main families included in this program are listed on the back. However, a FastTrack request can be sent in on any Vishay Dale resistor and availability will be determined at that time.

HOW TO ORDER VIA FAST TRACK

1. Sales Representative or Distributor

- Receives request for products needing urgent delivery
- Offers *Fast Track* program to Customer
- Enters RFQ to Vishay via Partners/SAP (as applicable)
- RFQ must include SAP P/N of the products needed, quantity required, and the desired lead time

2. Vishay Dale Marketing

- Adds *Fast Track* line item charge and lead time to quote
- Returns RFQ to Sales Representative or Distributor
- Quote is valid for 48 hours

3. Sales Representative or Distributor

- Delivers quote to Customer and obtains PO
- Phones Customer Service within 48 hours to enter order and faxes PO information

4. Customer Service

- Enters the order on SAP with reference to the quote
- Contacts Vishay Dale Planning to ensure capacity and availability

5. Vishay Dale Planning

- Schedules the order
- Order is built and shipped

NOTE: When entering the RFQ, remember to include the SAP P/N and requested lead time! The lead time quoted will be in business days. The clock starts when the order is entered on SAP and stops when the product is shipped.
